The policies contained within this policy manual apply to all persons and entities in the Detroit Public School System, including the Detroit Board of Education, the General Superintendent, other appointees, administrators, employees, students, contractors and other service providers.

The policies and any procedures set forth in this policy manual shall apply unless a specific policy and/or procedure is otherwise specified in a contract to which the Detroit Public Schools is a signatory. In such cases, the terms of the contract shall govern for persons covered by that contract, and such terms will take precedence over the specific policy or procedure that specifies otherwise.
