

**CONTRACT FOR EMERGENCY MANAGER
SERVICES**

RICK SNYDER, Governor of the State of Michigan (Governor), and the Department of Treasury retain and appoint Mr. Roy Roberts as the Emergency Manager for the Detroit Public Schools District (District) under the Local Government and School District Fiscal Accountability Act, 2011 PA 4, MCL 141.1501-141.1531 (the Act).

The services the Emergency Manager will provide to the District will be pursuant to the terms and conditions set forth in this Contract and the Act.

Students being educated within the District are entitled to an education that enables them to learn at high levels and, upon graduation, be fully prepared to enter the work force or attend college. This cannot happen when there is uncertainty about schools being able to stay open, or about their ability to maintain an environment that is conducive to teaching and learning.

The Emergency Manager's role is to remedy the distress of the District by requiring prudent fiscal management and efficient provision of services by exercising the necessary authority conferred by the state to take appropriate action on behalf of the District and its students. The result for students should be an education that allows them to think and act innovatively, demonstrate high performance, and meet the highest expectations. In accepting this appointment, the Emergency Manager agrees to leverage all his skills and abilities to accomplish these objectives on behalf of our students, parents, and citizens.

1.1 Parties. The parties to this Contract are the State of Michigan (state) by the Department of Treasury and Mr. Roy Roberts (Emergency Manager).
