Attached is my 10-Point Management Plan for Detroit Public Schools that I have been working on with staff, and will be incorporated as part of my 45-Day Plan. It will be implemented and monitored over the next several months.

The next activity will be the assignment of leadership responsibilities to the appropriate staff for each of the objectives within the operations and academic goals. These and other appropriate future revisions will be shared as determined.

You will also notice asterisks at certain points throughout the document. Where they exist, please refer to Addendum A and its attachments, which are enclosed.

A handwritten signature in black ink that reads "Darnell Earley".
