Annual Education Report (AER)

August 16, 2010

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2009-2010 educational progress for the Crockett High School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, Adequate Yearly Progress (AYP) and teacher quality. If you have any questions about the AER, please contact us at (313) 873-6473 or email us at AER@detroitk12.org if you need assistance.

The AER is available for you to review electronically by visiting the following web site www.detroitk12.org/AER or you may review a copy in Crockett High School's office.

For the 2009-2010 school year, we are **AYP Phase 6**, we did not make Adequate Yearly Progress (AYP) because:

- We did not test 95% of our students.
 - Mathematics: 93.7% All Students; 93.7% Black; and 93.9% Economically Disadvantaged students were assessed.

Because our school has not made AYP for 7 year(s), we are identified for Restructuring Extended Implementation.

After an analysis of data, the Crockett staff has chosen to implement a systemic, whole school approach targeting the following areas for immediate improvement:

- Interviewing all staff prior to the opening of the 2010-11 school year and hiring Highly Qualified teachers who are committed to the educational program.
- Using data as a driving force behind the rigorous, relevant, instructional program that is research-based instructional program that is aligned to national Common Core standards, state standards and national college and career-ready standards.
- Expanding learning time and flexibility and offering enhanced learning options (like Advanced Placement) through implementation of a robust block schedule.
- Establishing an effective shared decision-making system, driven through a School Leadership Team.
- Extending the school day through intensive Accelerated Academies to help students master required knowledge and skills.
- Extending the school year through Summer Bridge transition programs for students.
- Engaging every staff member—leaders, teachers and support staff—in an on-going, job-embedded professional development process within the regular school year and in extended time, with any staff hours worked beyond the regular school day compensated at the contract rate.

Detroit Public Schools

- Implementing an educator evaluation system that includes attainment of pre-established benchmarks and targets, and a continuing commitment to the Priority School agreement.

As a part of this whole school approach of improving Adequate Yearly Program, parents may be involve in the following ways:

- Become a member of the Crockett Technical High School PTSA.
- Volunteering as class parent, hall monitors, outside entrance and dismissal monitors.
- Participating in parenting and learning at home best practices workshops.

For more information about our school please visit us on the web at www.DETROIT-CROCKETT.com

Detroit Public Schools' Core Curriculum:

State law requires that we also report additional information.

Process for assigning pupils to the school

During the 2009-2010 school year, students were required to live within the boundary of the school to which they were assigned.

During the 2010-2011 school year, Detroit Public Schools implemented the "Open Enrollment Initiative. This initiative allows students to elect to attend any Detroit Public School without being required to live within the boundary for that school. The "Open Enrollment Initiative" does not apply to the Examination High Schools, or Application Schools. Parents may enroll their child(ren) in the school of their interest as long as the school has not reached capacity for their particular grade. Enrollment preference is given to students who live within the boundary of a school. It should also be noted that transportation will not be provided for students who select a school outside of the boundary of their home school. Open Enrollment Initiative resources can be found on our web-site at: http://detroitk12.org/resources/prospective_students/

School Improvement Status

Year	School Improvement Status
2009-2010	Restructuring - AYP Not Met
2008-2009	Restructuring - AYP Not Met

Detroit Public Schools Core Curriculum

The DPS Core Curriculum is currently being revised and will be available, on-line, during the 2010-2011 School year.

Student Achievement Results

Aggregate Student Achievement Results and Detroit Public Schools Quarterly Benchmark Assessment in Reading and Mathematics for Crockett High School can be found on the Detroit Public Schools' web-page at the Research, Evaluation and Assessment site at <http://detroitk12.org/data/rea/>. The following reports are available:

- District Profile Report
- Combined School Profile Reports
- Individual School Profile Reports
- Adequate Yearly Progress (AYP) Reports
- Annual Education Report

A hard copy is also available in the school's office. Contact the school's office for more details.

Parent-Teacher Conferences (Interactions)

The Detroit Public Schools' Office of Research, Evaluation, Assessment and Accountability is developing a data collection system which will enable the district to comply with the Annual Education Report criteria of identifying the number and percent of students represented by parents at Parent-Teacher-Conferences. We are currently able to report the number of parent interactions as ascertained by Parent-Teacher-Conferences signature lists submitted by DPS schools. In the future, we will report the data according to the Annual Education Report criteria.

During the 2009-2010 school year, the School reported 2312 parent interactions. In 2008-2009, there were 1728 parent interactions reported.

Postsecondary Enrollments: None

College Equivalency Courses: None, for 2009-2010. 2 for 2008-2009

2008-2009		
Course Name	# Enrolled	% of Students Enrolled
AP ENGLISH 7	38	20
AP ENGLISH 8	38	20

Detroit Public Schools' Core Curriculum:

Consistent with the District academic plan, **Excellent Schools for Every Child**, there are aggressive plans to accelerate the rate of student achievement and to ensure that students graduate with the academic and social skills necessary for success in college and the workplace.

Specific curriculum actions include:

- *alignment of the curriculum, lessons planning and pacing calendars to national and state standards
- *ensuring that material and texts and supplemental resources and used in the classroom are directly linked to and with the grade expectations
- *defined grade level expectations to create alignment throughout the school
- * Administration and review of quarterly benchmark assessments for students in grades 3-12
- *use pre-intervention tools such as the Dynamic Indicator of Basic Early Literacy Skills (DIBLES) to assess language fluency for students on grades Prek-2 to ensure literacy foundation for reading success
- *use of the data (both formal and informal) to inform teaching strategies and professional development needs for staff, including but not limited to, teachers and administrators
- *focused professional development on the use of appropriate curriculum and teaching strategies, monitoring results and developing the interventions for re-teaching, as necessary
- *use technology (Learning Village/an on-line instructional management system) as a tool to manage instruction and teacher practice

Access to the Core Curriculum

The instructional strategies and grade level expectations are aligned to the state standards and the NAEP. This represents the core curriculum which is supported by the texts, materials, computer soft ware and other school level resources used daily in the classrooms. All of the professional development activities are aligned to the core curriculum.

The implementation is a process delineated in the District Plan **Excellent Schools for Every Child**. This plan serves as the framework for each school's academic achievement plan. The frequent monitoring of the implementation of these plans is conducted by the school diagnostic visits, review of the benchmark assessments, use of the teacher evaluation tool and adherence to the pacing calendar.

Detroit Public Schools

The variances from the state plan can be found in the grade level expectations which are also aligned to the higher standards of NAEP.

A Summer Parent University is offered with classes to increase parenting skills, early childhood literacy, adult literacy and GED. During the school year, the Regional Parent Resource Center are a vehicle for parents and other community member to participate in regular and on-going informational and participatory sessions focused on curriculum and instruction. Learning Village (an on line instructional management system)

Web updates and semi-annual progress reports are also a means to disseminate information to parents and community.

Detroit Public Schools Core Curriculum is currently under revision. Pacing Charts and Curriculum guided will be posted to the Academic Affairs page of our web-site in the near future.

Parent Engagement

- *Use the technology portal for parents to view daily lessons and to communication with teachers

- *implement and follow through with the parent contracts

- *increase the Volunteer Reading Corps from approximately 5000 volunteers this year to 10,000 for next school year

- *use the Parent Resource Center to engage parents in innovative workshops and session that are practical and will result in parent support to students at home
