Annual Education Report (AER) Cover Letter (2013-2014)

August 15, 2014

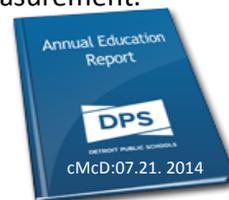

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2013-2014 educational progress for the Beard Early Learning Neighborhood Center. The AER addresses the complex reporting information required by Federal and State laws. The school's report contains information about student assessment, accountability and teacher quality. If you have any questions about the AER, please contact Anita Totty, Director at (313) 849-3183 for assistance.

The AER is available for you to review electronically by visiting the District's website <http://detroitk12.org/aer> or the school's website at <http://detroitk12.org/schools/beard/>. You may also view a printed copy in the main office at your child's school or at the Parent Resource Center located at the Detroit International Academy, Room 141, 9026 Woodward Avenue, Detroit, Michigan 48202.

The State has identified some schools with the status of Reward, Focus or Priority. A Reward school is one that is outperforming other schools in achievement, growth, or is performing better than other schools with a similar student population. A Focus school is one that has a large achievement gap in 30% of its student achievement scores. A Priority school is one whose achievement and growth is in the lowest 5% of all schools in the State. Our school does not receive an Accountability Status

Beard Early Learning Neighborhood Center does not receive a Michigan Scorecard Status. To ensure later school success, for our children, Beard Elementary School provides a caring environment designed to develop the physical, emotional, social, and cognitive skills of our children. Our early literacy curriculum helps to develop our children's pre-reading, language, vocabulary and numbers skills. We will continue to lay the foundation for our children's academic success through the use of the HighScope Curriculum which is a comprehensive and documented curriculum model. Teachers have started using the COR Advantage Assessment this year which is a proven reliable measurement.

The classroom(s) will be assessed with the Preschool Program Quality Assessment (PQA) which will be used for professional development.

Parent Involvement

Parents are an integral partner in the process of excellence. They are welcomed and encouraged to participate in daily volunteer opportunities, field trips and monthly parent meetings. Teacher are required to do two home visits per year and four parent teacher conferences. Parents have many opportunities to be involved in our learning community.

They are encouraged to attend:

- Adult English as a Second Language (ESL) classes
- Workshops and parent trainings specific to Early Childhood
- Parent trainings to support instruction focusing on at risk students
- Monthly LSCO meetings

State law requires that we also report additional information.

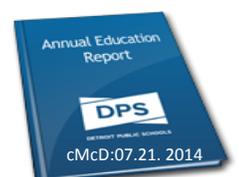

Process for Assigning Pupils to the School

Detroit Public Schools has an “Open Enrollment Initiative.” This initiative allows students to elect to attend any Detroit Public School without being required to live within the boundary for that school. The “Open Enrollment Initiative” does not apply to the Examination High Schools or Application Schools. Parents may enroll their child(ren) in the school of their interest as long as the school has not reached capacity for their particular grade. Enrollment preference is given to students who live within the boundary of a school.

It should also be noted that transportation will not be provided for students who select a school outside of the boundary of their home school. “Open Enrollment Initiative” resources can be found on our website at: http://detroitk12.org/resources/prospective_students/

School Improvement Status

| Year | School Improvement Status |
|-----------|---------------------------|
| 2013-2014 | N/A |
| 2012-2013 | N/A |

School Description:

Small hands making big impressions. Rising stars reaching academic excellence!

At the Early Learning Neighborhood Center at Beard, located in an historic school building in Southwest Detroit, we provide a challenging FULL-DAY Pre-Kindergarten curriculum, where students participate in reading, math, science and social studies classes.

The students' day is filled with exciting activities to assist the students in learning about music, reading, writing, painting, how things work, how things are put together, how things live, and observing changes in many areas. The focus is on supporting the students socially, emotionally, physically, mentally and academically.

Partnerships with Wayne State University serve to enhance the school's programming and events such as Literacy Night and Snuggle up and Read create a welcoming atmosphere for Pre-Kindergarten children and their parents to launch a successful educational journey.

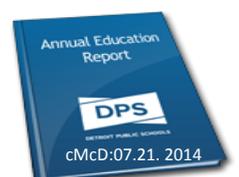

Please visit our website at <http://detroitk12.org/schools/beard/> for more detailed information about our school.

Detroit Public Schools' Core Curriculum:

Consistent with the Detroit Public Schools 2013-2017 Strategic Plan, there are aggressive plans to accelerate the rate of student achievement and to ensure that students graduate with the academic and social skills necessary for success in college and the workplace.

Specific curriculum actions are based on the District's strategic plan to:

- I. Broaden Services to Address Student Needs
- II. Support Parents and Families
- III. Offer Broad/High Quality Programs
- IV. Improve Customer Service
- V. Create Safe Learning Environments
- VI. Transform Central and School based services to serve customers better
- VII. Improve Technology
- VIII. Minimize the Impacts of Change
- IX. Foster School-Based Leadership
- X. Celebrate and Promote Success

Specific curriculum actions (Continued)

- XI. Ensure Fiscal Stability
- XII. Improve Attendance and Discipline

The “Neighborhood-Centered, Quality Schools,” Strategic Plan, is available online at http://detroitk12.org/content/wp-content/uploads/2013/03/Strategic_Plan_DRAFT-FINAL.pdf

Access to the Core Curriculum

The instructional strategies and grade level expectations are aligned to the State standards and the NAEP. This represents the core curriculum, which is supported by the texts, materials, computer software and other school level resources used daily in the classrooms. All of the professional development activities are aligned to the core curriculum.

The implementation is a process delineated in the District Plan. This plan serves as the framework for each school’s academic achievement plan.

The frequent monitoring of the implementation of these plans are conducted by the school diagnostic visits, review of the benchmark assessments, use of the teacher evaluation tool and adherence to the pacing calendar.

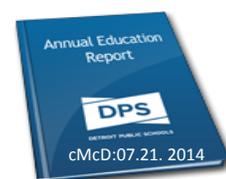

The variances from the State Plan can be found in the grade level expectations, which are also aligned to the higher standards of NAEP.

Parents/Guardians are offered classes to increase parenting skills, early childhood literacy, adult literacy and GED. During the school year, the Regional Parent Resource Center is a vehicle for parents and other community members to participate in regular and on-going informational and participatory sessions focused on curriculum and instruction. Learning Village (an online instructional management system), Web up-dates and semi-annual progress reports are a means to disseminate achievement information to educators. Parents will have the opportunity to monitor students’ progress, including attendance, through **Parent Connect** in the fall.

Detroit Public Schools’ Core Curriculum is currently under revision. Pacing Charts and Curriculum guides will be posted to the Division of Teaching and Learning under the Leadership page of our website in the near future.

Parent Engagement

- ❖ Use the technology portal for parents to view daily lessons and to communicate with teachers.

Parent Engagement (Continued)

- ❖ Implement and follow through with the parent contracts.
- ❖ Use the Parent Resource Center to engage parents in innovative workshops and sessions that are practical and will result in parent support to students at home.

Student Achievement Results

Aggregate Student Achievement Results and Detroit Public Schools Quarterly NWEA~MAP Reading and Mathematics reports for Beard Early Learning Neighborhood Center can be found on the Detroit Public Schools' web page at the Research, Evaluation and Assessment site at <http://detroitk12.org/data/rea/>. The following reports are available:

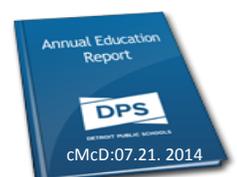

- District Profile Report
- Combined School Profile Reports
- Individual School Profile Reports
- Adequate Yearly Progress (AYP) Reports
- Michigan Accountability Scorecard Report
- Annual Education Report
- NWEA ~ MAP aggregate student achievement results

Parent-Teacher Conferences (Interactions):

| School Year | Total Parent Interactions | Percent |
|-------------|---------------------------|---------|
| 2013-2014 | 30 | 55.6% |
| 2012-2013 | 194 | 74.0% |

The Detroit Public Schools' Office of Research, Evaluation, Assessment and Accountability has developed a data collection system which has enabled the District to comply with the Annual Education Report criteria of identifying the number and percent of students represented by parents at Parent-Teacher Conferences (PTC).

- 1.0 Data from the PTC Forms represent “parent interactions” with teachers, per school, per card marking.
- 2.0 Parent Interaction Definition: During Parent-Teacher Conferences Schools/Teachers are advised to have each parent participant provide a parent signature-a parent may not sign for a student if they did not talk about that student.
- 3.0 Several DPS schools had a very high percentage of reported parent interactions. This may be due to a number of reasons. In at least eight (8) instances, the calculated percentages are in excess of 100%. In each instance, each of these eight (8) schools

Student Achievement Results (Continued)

may have experienced a large parent turnout at each of the required conferences. If during each conference, one (1) parent with two (2) students enrolled in the school visited three (3) teachers for each of their two (2) students, this would count as six (6) parent interactions, thus increasing the base number and resulting percentage.

We would like to wish our students, parents and community a successful school year.

Sincerely,

Anita Totty, Director
